[SCHOOL/COMMUNITY ORGANISATION NAME] Joins Forces with Roberts Recycling to Raise Funds & Promote Sustainability

We are excited to announce that [SCHOOL/COMMUNITY ORGANISATION NAME] is partnering with Roberts Recycling through the **Recycle 4 School / Dragon Bags** programme!

This initiative allows us to raise vital funds while encouraging sustainable practices by collecting clean, unwanted textiles for reuse and recycling.

How It Works

Our school/community organisation is taking part through a **[TEXTILE BANK / BOX DROP / ONE-OFF COLLECTION]** system, making it easy for parents, guardians, and the wider community to get involved.

You can find our collection point at **[LOCATION]**, where you can drop off your pre-loved textiles to support our fundraising efforts and help reduce textile waste.

Every donation makes a difference - not only does it support **[SCHOOL/COMMUNITY ORGANISATION NAME]** financially, but it also ensures that reusable clothing is given a second life, rather than ending up in landfill.

Reuse is far better for the environment than recycling, as it extends the lifespan of textiles and reduces the demand for new clothing production.

What We Accept

We welcome donations of clean, reusable clothing and accessories, including:

Shirts, Trousers, Shorts, T-Shirts, Jeans, Jackets, Jumpers, Hoodies, Polo Shirts, Joggers, Bags, Belts, Ties, Boots, Hats, Gloves, Shoes, Trainers, New / Clean Underwear, Skirts, Dresses, Vests, Jewellery, Swimwear, Lingerie.

What We Don't Accept

To ensure all items can be reused effectively, please avoid donating:

Ripped or stained items, Socks, Dirty underwear, Bath robes, Slippers, Pyjamas, Workwear, Uniforms, Printed items, Old-fashioned clothing.

Why This Matters

Did you know that only **12% of clothing is recycled globally** and that the fashion industry produces more carbon emissions than international aviation and shipping combined?

By taking part in the Recycle 4 School / Dragon Bags programme, we are doing our bit to reduce textile waste, inspire young people to take action, and create a more sustainable future—one donation at a time.

Together, we can make a difference!

Start collecting your unwanted textiles today and drop them off at **[LOCATION]** to support our school/community organisation.

For any questions or more information, feel free to contact us at **[CONTACT DETAILS]** or visit **[ROBERTS RECYCLING WEBSITE]**.

Let's turn unwanted textiles into positive change!
